Recapitulation of English Grammar in Questions and Answers 2020-02-18

The Handy English Grammar Answer Book Christine A. Hult 2015-09-08 Whether it's for a professional document, a school paper, an Internet blog, or something more personal, effective communication depends on clear, concise, and grammatically correct writing. Punctuation, spelling, and grammar rules can trip up anyone, while organization and word choice can make writing memorable—or banal. Whether you are writing a term paper, a scientific article, a résumé, a business email, a text message, or presenting information in the social media, The Handy English Grammar Answer Book is an engaging guide to writing with clarity. It offers fundamental principles, grammar rules, and punctuation advice, as well as insights on writing for different occasions and audiences. From a brief history of the English language to the deconstruction—and explanation—of the different parts of a sentence, and from showing how to punctuate correctly to how to organize a well-argued essay, this easy-to-use reference answers nearly 500 questions and offers fun facts on the English language and its usage, including ... How did language begin? How did English become a language spoken worldwide? What is Middle English? How did Noah Webster affect the English language? What efforts have been made toward reforming spelling? Are there any language universals? What is an adverb? What is a compound sentence? What is a dialect? What is jargon? What is a noun? What is a split infinitive? What is passive voice and when should you avoid it? Why are English words so hard to spell? What is the i-before-e rule How do I use commas correctly in sentences? When should I use parentheses? How do I use capitalization on the Internet? When do I use “that” versus “which”? What types of dictionaries are there? How do I find the right level of formality in my writing style? What is a sentence fragment? What is a misused modifier? Should I use its or it's? What is academic writing? What is the difference between primary and secondary research? How do I respect copyright laws? How do I use materials ethically on my own websites? What is plagiarism and how do I avoid it? How do I plan a structure for my term paper? How do I write an outline? How do I avoid writer's block? What is considered good essay form? How do I write business emails? Should I include personal data in a résumé? What is “netiquette”? How do I write an effective blog? For speakers and writers of all ages and skill levels, The Handy English Grammar Answer Book brings you straightforward explanations, tips on avoiding and fixing grammatical mistakes, as well as numerous examples of good writing. This helpful book includes an appendix of model papers, letters and sample writing for every occasion—from business or social communications to academic papers or Internet forums. Appendices on irregular verbs, idioms, homophones, prepositions, frequently misspelled words, wordy phrases, frequently confused word pairs, and other common mistakes bring a deeper understanding to readers. There is also a glossary of commonly used terms, a bibliography, and an index.

comprehensive presentation of form, meaning, and usage, along with practical exercises and advice on teaching difficult structures, it is both a complete grammar course and an essential reference text."--Back cover.

English Grammar: Your Questions Answered Michael McCarthy 2017-02-02 As featured in 'The Times' (18 Feb 2017). Professor Michael McCarthy, internationally renowned applied linguist, co-author of the 900-page 'Cambridge Grammar of English', author, co-author and editor of more than 50 books and 100 articles on the English language and the teaching of English, winner of an English-Speaking Union prize for one of his dictionaries, answers the awkward questions that regularly bother us all about English grammar. Most of us only vaguely remember what we were taught at school and are put off by long, tedious, dense and pedantic grammar manuals. This book is written in a concise, chatty, humorous and informal style. The A to Z format makes it easy to access and to find what you're looking for. It tells you in simple, plain language the difference between things that look similar (for example, 'alternate' versus 'alternative', 'made of' versus 'made from', 'its' versus 'it's'). It explains how to avoid going wrong with issues such as agreement between subjects and verbs or the choice of pronouns after prepositions. It presents solutions to a host of common, everyday grammatical problems and gives guidance on appropriate usage where more than one way of saying something exists. The entries also include advice on vocabulary, spelling, pronunciation, punctuation and style. Mike McCarthy believes in describing present-day standard English as it really is, not how people think it is or how they think it should be. He has worked for the last 35 years with computerised corpora of everyday written and spoken English texts and is known especially for his work on the differences between the grammar of speaking and the grammar of writing. The example sentences he presents are clear, transparent illustrations of the grammatical conventions, based on his work with corpora and his extensive, detailed field-notes covering decades, gleaned from literature, correspondence, the media and ordinary conversation. He tells you what the traditional rules are as well as what people are writing or saying now, and gives reasons why you might choose one or the other. He is not afraid of change and sees the grammar of English as a living, evolving organism, which he demonstrates with occasional glances at grammars written in the distant and recent past. He loves and respects the many accents, varieties and dialects of English but tells you what the educated standard forms are, so that you can speak and write appropriately in different situations. He shows that speaking is not the same as writing, and that what can often pass unnoticed in speech may stick out like a grammatical sore thumb in formal writing. This book helps you to navigate the maze of grammatical alternatives and to make the right choice for the right occasion. It is a book to browse and enjoy, as well as being a useful reference work to keep on your bookshelf.

Grammar George A. Duckett 2016-05-08 If you have a question about Grammar this is the book with the answers.
