The Secret Sharer Joseph Conrad 2018-01-01 "The Secret Sharer" takes place on a sailing ship in the Gulf of Siam (now the Gulf of Thailand), at the start of a voyage with cargo for Britain. The date is probably in the 1880s, when Conrad was at sea himself. In common with many of Conrad's stories, it is narrated in the first person. The narrator is the ship's young captain, whose name is never given. He is unfamiliar with both his ship and his crew, having joined the ship only a fortnight earlier, and unsure of his ability to exert his authority over the officers and crew who have been together for some time. He makes the point several times that he is the "stranger" on board. After being towed downriver (presumably from Bangkok) by a steam tug, the ship is left at anchor near a group of small barren islands a few miles off shore, waiting for wind to begin its voyage. An incoming ship is anchored similarly a couple of miles away, awaiting a tug to go upriver. That night, the captain, being restless, unusually takes the watch. As the only man on deck in the small hours of the morning, he sees that a man has swum up to the ship's side. The naked swimmer is hesitant to talk or come on board, but seems pleased to discover he is speaking to the captain. Once on board, the man introduces himself as Leggatt and he and the captain find a natural rapport, almost as if Leggatt were the captain's other self, especially as the captain has now fetched some of his own clothes for Leggatt to wear. Still on deck, Leggatt explains that he was the First Mate of the other ship, but was placed under arrest after being accused of murdering a crew member. The victim was a disobedient bully. During a storm which nearly

sank their ship on their voyage here, Leggatt was physically wrestling with the man to make him to pull a rope when a freak wave threw them both against a bulwark and the man was killed. Leggatt, a "stranger" on the other ship just as the captain is on his, would certainly face the gallows on landing. However, he escaped his locked cabin and swam between islands to reach the narrator's ship. Though the captain could, and by all the rules should, arrest Leggatt, he instead leads him to concealment in his cabin. The captain has no plan yet, and hiding Leggatt seems impossibly difficult, given that his cabin is regularly serviced by his steward, the problem of food, a captain's movements being conspicuous to all, and the long voyage ahead. In the morning the captain of Leggatt's ship arrives by boat to inquire if the escapee has been sighted. Our captain, not a natural liar, manages to bluff through, but is left terrified as to what his own officers make of his strained behavior....

The Story of the Betrothed Umberto Eco 2017-01-03 "This marriage is not supposed to happen." Lombardy, 1628, a time of oppressive Spanish occupation of Northern Italy, and of the Thirty Years' War. The young lovers Lorenzo and Lucia, both from peasant families, are planning their wedding. However, the villainous Don Rodrigo has designs on Lucia, and the lovers are forced to flee their village. Their dangerous journey in exile takes them through one of the most dramatic epochs in Italian history, filled with war, famine and plague - will they ever be able to find happiness together? Dave Eggers says, of the series: "I couldn't be prouder to be a part of it. Ever since Alessandro conceived this idea I thought it was brilliant. The editions that they've compiled have been lushly illustrated and elegantly designed."

The Cambridge Companion to 'Robinson Crusoe' John Richetti 2018-04-30 An instant success in its own time, Daniel Defoe's *The Adventures of Robinson Crusoe* has for three centuries drawn readers to its archetypal hero, the man surviving alone on an island. This Companion begins by studying the eighteenth-century literary, historical and cultural contexts of Defoe's novel, exploring the reasons for its immense popularity in Britain and in its colonies in America and in the wider European world. Chapters from leading scholars discuss the social, economic and political dimensions of Crusoe's island story before examining the 'after life' of Robinson Crusoe, from the book's multitudinous translations to its cultural migrations and transformations into other media such as film and television. By considering Defoe's seminal work from a variety of critical perspectives, this book provides a full understanding of the perennial fascination with, and the enduring legacy of, both the book and its iconic hero.

The Martian: Classroom Edition Andy Weir 2017-07-11 In the Classroom Edition of *The Martian*: Classroom-appropriate language Discussion questions and activities Q&A with Andy Weir Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive—and even if he could get word out, his supplies would

be gone long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills—and a relentless, dogged refusal to quit—he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

Robinson Crusoe Daniel Defoe 2020-09-09 The Farther Adventures of Robinson Crusoe (now more commonly rendered as "The Further adventures of Robinson Crusoe") is a novel by Daniel Defoe, first published in 1719. Just as in its significantly more popular predecessor, Robinson Crusoe (1719), the first edition credits the work's fictional protagonist Robinson Crusoe as its author. It was published under the considerably longer original title: The Farther Adventures of Robinson Crusoe; Being the Second and Last Part of His Life, And of the Strange Surprising Accounts of his Travels Round three Parts of the Globe. Although intended to be the last Crusoe tale, the novel is followed by a third and final novel involving the character by Defoe entitled Serious Reflections of Robinson Crusoe (1720).

A Criminal History of Mankind Colin Wilson 2015-05-17 This "immensely stimulating story of true crime down the ages" tells the history of human violence, from Peking Man to the Mafia (The Times, London). This landmark work offers a completely new approach to the history and

psychology of human violence. Its sweep is broad, its research meticulous and detailed. Colin Wilson explores the bloodthirsty sadism of the ancient Assyrians and the mass slaughter by the armies led by Genghis Khan, Tamerlane, Ivan the Terrible, and Vlad the Impaler. He delves into modern history, exploring the genocides practiced by Stalin and Hitler. He then takes a chilling look into the sex crimes and mass murders that have become symbols of the neuroses and intensity of modern life. With breathtaking audacity and stunning insight, Wilson puts criminality firmly in a wide, illuminating historical context. "A work of massive energy, compulsively readable, splendidly informative . . . it establishes Wilson in a European tradition of thought that includes H. G. Wells, Sartre and Shaw." —Time Out London "A tremendous resource for crime buffs as well as a challenging exposition for some of the more subtle criminological thinking of our time." —Kirkus Reviews

Pamela, Or Virtue Rewarded (illustrated Edition) Samuel Richardson 2021-08-22 One of the most spectacular successes of the flourishing literary marketplace of eighteenth-century London, Pamela also marked a defining moment in the emergence of the modern novel. In the words of one contemporary, it divided the world "into two different Parties, Pamelists and Anti-pamelists," even eclipsing the sensational factional politics of the day. Preached for its morality, and denounced as pornography in disguise, it vividly describes a young servant's long resistance to the attempts of her predatory master to seduce her. Written in the voice of its low-born heroine, Pamela is not only a work of pioneering psychological complexity, but also a compelling and provocative study of power and its abuse. Based on the original text of 1740, from which Richardson later retreated in a series of defensive revisions, this edition makes available the version of Pamela that aroused such widespread controversy on its first appearance.

Robinson Crusoe Daniel Defoe 2020-09-08 This classic story of a shipwrecked mariner on a deserted island is perhaps the greatest adventure in all of English literature. Fleeing from pirates, Robinson Crusoe is swept ashore in a storm possessing only a knife, a box of tobacco, a pipe-

and the will to survive. His is the saga of a man alone: a man who overcomes self-pity and despair to reconstruct his life; who painstakingly teaches himself how to fashion a pot, bake bread, build a canoe; and who, after twenty-four agonizing years of solitude, discovers a human footprint in the sand...We are happy to announce this classic book. Many of the books in our collection have not been published for decades and are therefore not broadly available to the readers. Our goal is to access the very large literary repository of general public books. The main contents of our entire classical books are the original works. To ensure high quality products, all the titles are chosen carefully by our staff. We hope you enjoy this classic.

Robinson Crusoe Daniel Defoe 2021-09-02

Economy of the Unlost Anne Carson 2009-04-11 The ancient Greek lyric poet Simonides of Keos was the first poet in the Western tradition to take money for poetic composition. From this starting point, Anne Carson launches an exploration, poetic in its own right, of the idea of poetic economy. She offers a reading of certain of Simonides' texts and aligns these with writings of the modern Romanian poet Paul Celan, a Jew and survivor of the Holocaust, whose "economies" of language are notorious. Asking such questions as, What is lost when words are wasted?

and Who profits when words are saved? Carson reveals the two poets' striking commonalities. In Carson's view Simonides and Celan share a similar mentality or disposition toward the world, language and the work of the poet. Economy of the Unlost begins by showing how each of the two poets stands in a state of alienation between two worlds. In Simonides' case, the gift economy of fifth-century b.c. Greece was giving way to one based on money and commodities, while Celan's life spanned pre- and post-Holocaust worlds, and he himself, writing in German, became estranged from his native language. Carson goes on to consider various aspects of the two poets' techniques for coming to grips with the invisible through the visible world. A focus on the genre of the epitaph grants insights into the kinds of exchange the poets envision between the living and the dead. Assessing the impact on Simonidean composition of the material fact of inscription on stone, Carson suggests that a need for brevity influenced the exactitude and clarity of Simonides' style, and proposes a comparison with Celan's interest in the "negative design" of printmaking: both poets, though in different ways, employ a kind of negative image making, cutting away all that is superfluous. This book's juxtaposition of the two poets illuminates their differences--Simonides' fundamental faith in the power of the word, Celan's ultimate despair--as well as their similarities; it provides fertile ground for the virtuosic interplay of Carson's scholarship and her poetic sensibility.
