The Truth Unveiled Hazrat Mirza Ghulam Ahmad 2016-06-01 Islam is a religion that inculcates the importance of being loyal to the country in which one lives. Hazrat Mirza Ghulam Ahmad, peace be upon him, the Promised Messiah and Mahdi, and Founder of the Ahmadiyya Muslim Community, always taught the same to his followers. However, Maulvi Muhammad Husain of Batala, a staunch opponent, sought to defame the author by sending false reports to the government alleging that the Promised Messiah, peace be upon him, was a man who secretly conspired against the state. Against this backdrop, the author was moved to pen this treatise, in which he outlines his own family background and the long-standing services of his family in support of the British government. He also presents a succinct summary of the teachings of his community. Moreover, the author explains that Muslims who believe in the return of a violent Mahdi who would forcibly convert the world to Islam could not be further from the truth.

It talks about how she doesn't need any other person to tell her what to do and how to live her life. Being an independent woman makes her realize how short life is and how people should take advantage of every situation. The Naked Truth Unveiled C.E. Young 2021-03-10 What are the odds... - those who preach righteousness are not right? - today's Christians are not followers of Christ? - biblical truth, as it is known today, cannot be trusted? Before the enemy's damnation to earth he held a place in heaven as the covering of God. The name given to Lucifer by God Himself, covering cherub, holds truth many believers have not heard. Insight into the reasons for Satan's fall from grace foreshadows the impending future of the Christian church. Hidden in the account of a vision, told by Ezekiel, a prophet of old, is the beginning of an untaught truth about coverings unquestionably

tethered to the Christian faith. Peculiarly embedded in scripture from Genesis to Revelation, even those who lay claim to an absolute, gospel truth, will find this uncovered teaching hard to deny. Presented in simplistic format, with supporting scriptures, *The Naked Truth Unveiled* unleashes never heard before truths found in the Bible. Each chapter builds on the next leading to an ultimate, unmistakable revelation that will change what believers believe.

A Lie Told Often Enough Becomes The Truth Eric Schaeffer 2021-01-30 What is the most destructive weapon of all time? Is it a stick? A rock... Sword... Gun... Atomic Bomb? Each of these is responsible for their fair share of pain and suffering, but none have come close to the amount of destruction caused by one other weapon. This weapon does not look like other weapons and it appears far less threatening. Most of the time, its work goes unnoticed by its victims. One minute, it can be seen in a room full of military advisors, and the next it can be in the hands of a man sitting on a park bench. It can be waved overhead by an angry mob, and it can be beside a mother as she feeds her baby. When an enemy wants to conquer a group of people, his or her first tactic is not always physical harm. Their first and often most successful tactic is to change people's minds. After all, why should an enemy try to kill a group of people when he or she can enslave them instead? Propaganda is the most destructive weapon of all time. The art of deceiving the masses has been responsible for more pain and suffering than anyone can calculate. All a strategic enemy has to do is articulate his or her deception in a convincing way, then repeat it so often that the people begin to embrace it. In other words, "A lie told often enough becomes the truth." What makes propaganda so powerful is that people do not know they are under attack until it is too late. In this way, it can be comparable to rat poison. Rat poison is made up of 95 percent corn, and 5 percent poison. When an unsuspecting rodent comes upon it, he thinks it is safe to eat, as the majority of rat poison smells like food and tastes like food. However, it is that 5 percent that will kill him. Likewise, the most effective lie is the one wrapped in truth. In many countries, Muslims are instructed to study and memorize the Qur'an from the time they are toddlers. This narrative is repeated so often that it creates a stronghold in the mind and the children eventually learn to accept the narrative as "truth." A bias sets in that prohibits these individuals from looking at other views objectively. For centuries, Islamic scholars have been taking advantage of whole nations with this method of indoctrination. These practices seem to be especially effective in areas where education is limited. This is an unfortunate dilemma, especially in light of the many errors found in the Islamic writings. The goal of this book is to expose the falsehoods and manipulations found within Islam. This will be accomplished by doing a comparative study of the Qur'an, Hadith, the Bible, and historical evidence. This material, when examined unbiasedly, provides convincing evidence that the Qur'an is not preserved, historically accurate, or a direct message from God. It is the hope of the author that the reader will take the time to test and approve this material, not with an indoctrinated and biased perspective, but with equal scales and sound scholarship.

Unveiling Truth Kateryann Johnson CPA CGMA CFF 2017-01-31 In this book, I will show why you need to persevere in your trials, temptations and pain in order to secure your destiny. God has promised you, of course, good things and a fulfilled destiny, but there is a process to go through. You must accept the process before you are given what has been promised. Many people, especially believers, want the best from God, but they are not ready for the process. Remember, process determines the end-product. The enemy cannot stop what God has made in the fiery furnace. It will stand the tests of time. Every believer must have a level of buoyancy just like a ball. The more you push a ball down in the water, once released, the higher the ball shoots into the air. The more you are pushed down in life, ostracized and told that you are nothing, the higher God will allow you to rise. The Lord will make the enemy out to be a liar and cancel every negative word spoken over your life. It is not as if the enemy (Satan) is stronger and has better weapons than we do. We, as children of God, just fail to pick up and use the weapons that God has given us to combat the enemy. Go with me in this timely book to encourage you and inspire you towards your destiny.
