Winter Games Kyell Gold 2013-07 Sierra Snowpaw is just at the Lonnegan Ski Resort looking for a good time. You can trust him. If he doesn't talk a lot about his past, well, a lot of guys have done things they'd rather forget. A lot of guys have been through things they'd rather forget, too. He's so nice that it isn't that weird when he asks about some of the other guests. Not like a cop, though, or a Fedwell, okay. Maybe a little like that one guy from that movie. Maybe he's off-duty, settling a score on his own time. Or maybe he's the guy on the run. Come to think of it, he looks around corners like someone's after him, too. But you know, some guys are chased by nothing more than the ghosts of their past...

What Happens Next Fred Patten 2013-07-01 The End. Every story has one, but that can't stop us from wanting more. In the best stories life goes on after the last page of the story, behind the curtain. Most of the time that future is hidden from us, forever unknowable. We've made this book the rare exception that lets you peel back the veil and peer into the future. We've brought together eleven of the best authors in the fandom, both old and new. M. C. A. Hogarth, Brock Hoagland, Kevin Frane, Kristin Fontaine, Michael Payne, Jenner, Elizabeth McCoy, Chuck Melville, Ken Pick, Kyell Gold, and Roz Gibson are all here. They've all created amazing worlds that live on in our imaginations. The exploits of our favorite characters, famous and infamous, are not over. We've all asked this question in vain before, but now you'll know: What Happens Next?

When he emerges, the year is 1508 and he soon finds himself on the run from armed soldiers with two unlikely friends. As a white tiger in the sixteenth century, Danilo would be welcomed into the oppressive Church, but as a queer person, he could be imprisoned or burned at the stake. With his friends Derek the gym wolf and Jeremy the fashionplate rat helping him, Lonnie will learn lessons of dating, sex, and trust, and maybe he'll find the fox whose scent is just right before the clock chimes midnight.

Sailor Proof Annabeth Albert 2021-09-28 “Whether making my heart melt or my head burst into flames, Annabeth Albert draws the reader in and keeps them captivated.” —Gay Book Reviews The sexy Navy chief and his best friend’s adorkable little brother... It’s petty, but Naval Chief Derrick Fox wishes he could exact a little revenge on his ex by showing off a rebound fling. His submarine is due to return to its Bremerton, Washington, home base soon and Derrick knows all too well there won't be anyone waiting with a big, showy welcome. Enter one ill-advised plan... Arthur Euler is the guy you go to in a pinch—he's excellent at out-of-the-box solutions. It's what the genius music-slash-computer nerd is known for. So when he finds out Derrick needs a favor, he’s happy to help. He can muster the sort of welcome a Naval Chief deserves, no problem at all. Except it is a problem. A very big problem. When Arthur’s homecoming welcome is a little too convincing, when a video of their gangplank smooch goes enormously viral, they're caught between a dock and a hard place. Neither of them ever expected a temporary fake relationship to look—or feel—so real. And Arthur certainly never considered he'd be fighting for a very much not-fake forever with a military man. Volle Kyell Gold 2010-12 Volle thought life as a spy-in-training was pretty easy: do as little as possible, and spend all his free time sleeping with the other young males in Caril. He never expected to be the one chosen for a critical mission to impersonate a noble in the neighboring country of Tephos--and neither did his superiors. They don't want to send him, and he doesn't want to go, but the mission calls for a fox, and he's the only one qualified. So off he goes, with a couple friends, a fake history, and very little to go on about the plot he's supposed to uncover. Now he must master the life of a noble and search for information while navigating the many pitfalls and temptations that surround him. And the temptations are plentiful: a young wolf prostitute, a shy fox courtesan, a handsome soldier. With noble friends to help him, he gains confidence quickly, but self-doubt continues to plague him. When events begin to spiral out of his control, he must discover whether he has the inner strength to save his country and his own heart.

Stories from Elton High Alflor Aalto 2013-01-28 Arden's a good kid. He keeps his head down in school and gets good grades. Thus far, he's done a fairly decent job of staying afloat in the hectic sea of life... until a letter comes from school informing him of a new physical education requirement: "Every student, regardless of species, must run a mile in under nine minutes. Failure to do so will result in remediate gym time." Arden shrugs, throws on a ratty shirt and heads out to the school track to see if he can even run a mile, let alone do it in under nine minutes...

Titles Kyell Gold 2019-12-06 Eight years after Dev Miski's first championship game, he's back in the playoffs chasing that elusive ring. Lee is chasing a promotion, one step closer to his dream job in the world of football. To get through these two weeks, they'll have to remember who they are-and decide who they want to be.

Divisions Kyell Gold 2013-07-01 It's been over a month since Devlin Miski came out publicly, and no other professional athlete has followed suit. Dev just wants to put it all behind him and play football, helping his Chevali Firebirds

win their first-ever division title. If only his teammates--and everyone else--could just let it go, he'd be fine. But there's one teammate in particular who seems determined to make his life difficult... And for his boyfriend Lee, the past is never laid to rest. If it isn't his parents' troubled marriage, it's an old friend pulling him back into gay rights activism. Lee could make a splash by getting Dev to promote gay rights, but he knows it would distract Dev from football. So he has to balance the pressures of the outside world against the needs of his relationship, and even for a clever fox, that's a tall order. In this third volume of Dev and Lee's story, the tiger and fox continue to explore their relationship. Personalities clash and dreams are on the line as Dev and Lee navigate their very public lives and try to stay true to themselves.

Outlaw Bodies Lori Selke 2012-09-01 An anthology of short stories on the theme of outlaw bodies: how will bodies be controlled in the future? Nine authors explore these themes through speculative stories that touch on gender, sexuality, sexual identity, disability, self-image, prosthetics and robotics.

Magic comes naturally to him, yet he's not allowed to study sorcery because he's a Calatian--one of a magically created race of animal people. But when a mysterious attack leaves the masters desperate for apprentices, they throw their doors open, giving Kip his chance. As he fights to prove his worth to the human sorcerers, he encounters other oddities: a voice that speaks only to him, a book that makes people forget he's there, and one of the masters who will only speak to him through a raven. Greater than any of those mysteries or even whether the College's attacker will return to finish the job is the mystery of how Kip and his friends can prove that this place is where they belong...

Losing My Religion Kyell Gold 2015-11-04 "Losing My Religion" is the story of Jackson Alley, a coyote in an all-male R.E.M. cover band trying his hardest not to grow up. Tours, he feels, are for playing music and taking full advantage of the openness of his marriage, and having a gay wingman usually helped the bisexual coyote get girls. But his wingman is dating their lead singer now, so Jackson's left with the new bassist, an ex-Mormon kit fox named Zeb who

might be gay, but knows as little about sex as he does about drinking. So Jackson's going to have to show him the ropes, and hopefully he won't have to learn any pesky life lessons along the way.

Furry Nation Joe Strike 2017-10-03 Winner of the 2017 Ursa Major Award for Best Non-Fiction Work! Furry fandom is a recent phenomenon, but anthropomorphism is an instinct hard-wired into the human mind: the desire to see animals on a more equal footing with people. It's existed since the beginning of time in prehistoric cave paintings, ancient gods and tribal rituals. It lives on today—not just in the sports mascots and cartoon characters we see everywhere, but in stage plays, art galleries, serious literature, performance art—and among furry fans who bring their make-believe characters to life digitally, on paper, or in the carefully crafted fursuits they wear to become the animals of their imagination. In *Furry Nation*, author Joe Strike shares the very human story of the people who created furry fandom, the many forms it takes—from the joyfully public to the deeply personal—and how Furry transformed his own life.

Dewanne is one of the most remote cities in Tephos, in a mountainous province where foxes rule and mice are relegated to menial jobs and a slum outside the main city. Which makes it more difficult for Yilon to explain why his companion, Sinch, is a mouse. Ever the schemer, Yilon hatches a plan to get sent home to Vinton. His plan quickly goes awry, as he finds that even in a backwards town, there are complicated politics, family betrayals, and ancient blood feuds, old wounds that his clumsy acts have reopened. With two different groups trying to kill him, and even the foxes on his side alienated by his attitude, he has nowhere to turn but Sinch. But Sinch has run afoul of a band of thieves in the mouse slums and now has his own death threats to deal with, not to mention the hatred of a city of foxes. Yilon will need all the stubbornness and cleverness he's inherited from his father just to survive to the next sunrise, let alone save his inheritance, his friend, and his new city."-- Back cover.
