He can't put any new words in without taking some of the old words out—and he wants to keep all his words. Donavan doesn't know what to do, until a visit to his grandma provides him with the perfect solution.

In this challenging and enlightening treatment, Brueggemann traces the lines from the radical vision of Moses to the solidification of royal power in Solomon to the prophetic critique of that power with a new vision of freedom in the prophets. Here he traces the broad sweep from Exodus to Kings to Jeremiah to Jesus. He highlights that the prophetic vision and not only embraces the pain of the people but creates an energy and amazement based on the new thing that God is doing. In this new edition, Brueggemann has completely revised the text, updated the notes, and added a new preface.

This beloved celebration of individuality is now an original movie on Disney+! A modern-day classic and New York Times bestseller from Newbery Medalist Jerry Spinelli. *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. *Stargirl* is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. "Spinelli has produced a poetic allegorical tale about the magnificence and rarity of true nonconformity." -- The New York Times Full of stories, clinical advice, and accessible takeaways, *People Fuel* outlines the twenty-two relational nutrients we all need to cultivate good

relationships that provide energy, focus, and the support you need to succeed. We all need more energy, the vitality that helps us stay motivated, focused and productive in life. We know we receive energy from good nutrition, along with working out, adequate sleep and maintaining positivity. But there is another major source for the energy we need: having the right kinds of relationships with others. Not the ones that drain us, but the ones that refuel us. In his new book, Dr. John Townsend, psychologist, leadership expert and coauthor of the New York Times bestselling *Boundaries*, shows you how we need the fuel of "Relational Nutrients" from others, and, in turn we can then provide them to others. Our bodies require physical nutrients to stay healthy. If we don't take enough iron, we can develop anemia. Too little calcium can lead to bone disease. In the same way, John identifies the key Relational Nutrients that we need. As we experience these critical elements from others, we grow mentally and emotionally more sharp and healthy. And as we give these elements back, others benefit as well. Finally, Dr. Townsend details the specific types of people who can either be energy sources or energy drains, and gives concrete steps to help you cultivate relationships with those who will help you be all you were meant to be. The person who taught you how to have boundaries now helps you to experience the best from those people you have allowed into your boundaries.

Millennials see leadership and success differently than previous generations, but a simple truth is timeless the things we most want out of life will come if we concentrate on helping others get the same thing for themselves."

The New York Times and USA Today bestseller! "...a hauntingly atmospheric love letter to the first mobile library in Kentucky and the fierce, brave packhorse librarians who wove their way from shack to shack dispensing literacy, hope, and — just as importantly — a compassionate human connection."—Sara Gruen, author of *Water for Elephants* The hardscrabble folks of Troublesome Creek have to scarp for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home. Imagine doubling your income, without doubling your work hours. Imagine a world where everyone woke up happy, excited for work, and went home fulfilled. Imagine you could not stop smiling because you constantly felt so good about your professional and personal life. Most people believe that the best way to make more money is to work harder than ever and, as a result, they compromise their relationships, happiness, and energy. In this enlightening, simple, heart-opening book, he asserts that the secret to high achievement and happiness at work, at school, in your heart, and at home is the deeply human need to wholeheartedly connect with and become more valuable to those around you. Ducey gives you mind-expanding and practical new ways to create more success, money, and happiness.
